A GREEN PARTY CANDIDATE STANDING FOR PRACTICAL SOLUTIONS, FISCAL RESPONSIBILITY AND ZERO WASTE.

We need a new perspective. I am the only challenger to a 24-year incumbent for County Commissioner Pct. 2, and I need your help to win! I have provided efficiency solutions to the common business problem of reducing costs and maintaining a budget while increasing benefits and services for a wide variety of non-profits and small businesses, and now I want to lend my experience to improving our county government. Please give me a chance to make this county a better place for everyone.

AN “OUTSIDE THE BOX” VOTING PRIMER

DON'T TOLERATE CORRUPTION - VOTE AGAINST IT!

Very few elected officials have the public interest in mind when making policy and budgetary decisions. Usually they side with corporate greed. We, the voters, can put an end to this by un-electing them. It will take more than one election cycle to change the balance of power, but we must begin now!

IDENTIFY THE INCUMBENTS THAT YOU KNOW ARE CORRUPT AND CHOOSE TO VOTE AGAINST THEM.

Our ballots no longer designate incumbents, so do your homework before going to vote. You can take information with you to the polls. Sample ballots can be downloaded from <http://bexar.org/elections>. Mark up your sample ballot before you head to the polls!

ARE YOU A STRAIGHT TICKET VOTER?

Many people choose the straight ticket option. Did you know that you will miss many races by only clicking that one option because in many races either the Democrats or Republicans don't run candidates? Also, **issues and nonpartisan races** will not be marked when you vote straight ticket.

YOU CAN MAXIMIZE YOUR IMPACT BY REVIEWING YOUR BALLOT FOR PLACES WHERE YOUR STRAIGHT TICKET VOTE DID NOT MARK ANY CANDIDATE AND USE THE NEXT STRATEGY TO VOTE AGAINST THE OTHER PARTY'S CANDIDATE.

MAXIMIZE YOUR IMPACT STRATEGY

IF YOU USE THE STRAIGHT TICKET OPTION AS A TOOL TO MARK YOUR BALLOT QUICKER, MAKE SURE YOU MAXIMIZE YOUR VOTE IN RACES WHERE YOUR PARTY ISN'T REPRESENTED OR DOESN'T REPRESENT YOU WELL!

- For example, If you vote **straight Republican**, and there is a race where no R candidate ran, voting for the Libertarian, Green, or Independent sends a message to the Democrat.
- The same goes for **straight Democrat**: where there is no Democrat, you can still vote against the Republican!

Remember, **not all party candidates are equal**, some Ds are better than others, and same is true for Rs, Ls, Gs, and others. For example, **if you are a straight D voter, and you know the D running for a particular office is corrupt, please vote against her/him!** (It won't change your other votes for D candidates.)

A PROTEST VOTE STRATEGY

SINCE WE DO NOT YET HAVE “NONE OF THE ABOVE” AS A BINDING OPTION ON THE BALLOT, **VOTING FOR GREENS, LIBERTARIANS, AND INDEPENDENTS IS A GOOD WAY TO SEND A PROTEST MESSAGE - ONE THAT SAYS, WE DON'T LIKE WHAT YOU ARE DOING & THE TWO-PARTY SYSTEM NEEDS TO BE EXPANDED.**

Vote like it is a sacred responsibility for the public good. It is!
